FROM THE DIRECTOR

Finally, summer is here! We have had such a long winter that it is so nice to be outside. Thank you to everyone who attended our Open House on June 2; it was great to see so many of you. I hope you enjoyed seeing all the improvements we have made to your Library including the beautiful mosaics added to the outside planters. Many of the mosaics were handcrafted by patrons and staff; I hope you were able to find yours!

If you have vacation plans don't forget we have audiobooks and eBooks as an alternative to taking print materials. As we begin to wrap up our Summer Reading Program and our students are getting ready to head back to school, we have many resources available to help with projects and homework. *Tutor.com* is a wonderful homework resource accessible remotely or within the Library; you just need to have your Library card handy. For our younger patrons, ages 2-7, *ABCmouse.com* helps with reading, math, social studies, art, music, and more.

I hope to see many of you at our annual National Night Out on Tuesday, August 7 at Town Square Park. This wonderful nationwide campaign brings together neighbors and law enforcement.
