May/June 2019

# FROM THE DIRECTOR

I was looking back at last year's May/June Newsletter and saw that as I was writing, we were under a severe weather threat with more rain and snow to come! Here I am writing again, but this time from the comfort of my home as the Library is closed due to the polar vortex. Luckily, by the time this newsletter is delivered, we will be enjoying much warmer weather!

I love history so I'm very excited to learn more about the six wives of Henry VIII at one of our adult program offerings in May. Only one of these ladies lives had a happy ending! When I was in school, I remember the way we learned about what happened to them was by this rhyme: "divorced, beheaded, died, divorced, beheaded, survived!"

If you are looking for things to do this summer, make sure you register for our "100 Things to Do in Chicago. We live in a city full of wonderful amenities and we should take advantage of exploring our town. Space for this program is limited to 90 adults, so make sure you register.

And for all ages, we invite you to sign up for our Reading Program over the summer. It wouldn't be Summer Reading if we didn't have Rainbow Cone at the Library, so I look forward to joining you on Monday, June 10 for our annual ice cream treat!
